ARTICLE 1 - RECOGNITION

Section 1.1 Centerplate Hospitality Venture (hereinafter referred to as "Employer" or "Centerplate" or "Company") agrees to recognize UNITE HERE, Local 737 (hereinafter referred to as "Union") as the sole bargaining agent for the employees included in the Unit certified by the National Labor Relations Board in Case No. 12-RC-8305 (as amended by the parties during collective bargaining) for the purpose of collective bargaining with respect to wages, hours, working conditions, and the adjustment of grievances as defined herein.

Section 1.2 This Agreement and all its terms shall be binding upon the employees, the Employer, the Union, as well as their respective successors and assigns. Where the business of the Employer is sold, leased, transferred or otherwise disposed of through contractual arrangement by the Employer and the continuity of ownership in the business enterprise before and after such change remains substantially the same, this Agreement shall automatically extend to and be binding upon the new ownership.

Section 1.3 This agreement and all terms covers the Employer and employees at the Orange County Convention Center currently located at 9800 International Drive, Orlando, FL 32819 and 9899 International Drive, Orlando, Florida, 32819, also known as Phase V.

Section 1.4 Labor Management Committee There shall be a Labor-Management Committee consisting of up to ten (10) representatives from each party. Committee members shall be designated, in writing, by each party to the other. Meetings will be held at mutually agreeable times and places so as to apprise the other of problems, concerns, and suggestions related to the operations and the work force, all with the aim of promoting better understanding between the parties. Meetings will be held within fifteen (15) days after either party so requests, but not more than one (1) time each month. A written agenda shall be established for each meeting. Such meetings shall not be construed as opening the Agreement for negotiations, nor shall any subject matter at the meetings constitute a step in the grievance procedure. Employees shall be paid at their regular hourly rate or EB rate for time spent at Labor-Management Committee meetings.

ARTICLE 2 – SHOP STEWARDS

Section 2.1 Shop Stewards to administer and enforce the terms and conditions of this Agreement shall be designated by the Union. The Union will designate all Shop Stewards and notify the Employer in writing of same.

Section 2.2 The Employer will not discriminate against a Shop Steward in the proper performance of their union duties provided that such duties do not unreasonably interfere with their regular work or with the work of other employees and provided further that they shall not leave their work station without first obtaining permission from the appropriate supervisor as to their intent, the reason therefore, where they can be reached and the estimated length of time they will be gone. Permission will not be unreasonably withheld, and each steward will make good faith efforts to minimize any disruption of work, and perform their duties in a professional manner.

Section 2.3 It is specifically understood and agreed upon that Shop Stewards shall have no authority to take strike action or any other action interrupting the Employer's business.

Section 2.4 Employees designated as Shop Stewards will be entitled to super-seniority only for layoff and recall.

ARTICLE 3 - NOTICES

Section 3.1 The Employer shall provide six bulletin boards for the posting of official Union notices at the following locations: 1) outside the human resources office; 2) by the 4th floor kitchen; 3) by the food court 4) 3/2 banquet cage; 5) in the South Employee Entrance; and 6) in the North Employee Entrance. It is understood and agreed that no Union material or printed matter of any kind shall be posted in and about the premises of the Employer except on said boards, and all such notices will be on Union letterhead.

ARTICLE 4 – UNION ACTIVITY AND VISITATION

Section 4.1 Solicitation for Union purposes by Union members and/or duly authorized agents shall not take place during working time, in working areas or in public areas. Such activities may be conducted by the employees in non-public, non-working areas and on non-working time. Unless otherwise agreed, such activities shall take place only in the employee cafeteria.

Section 4.2 Representatives of the Union shall be permitted to enter all areas of the Employer to administer the provisions of this Agreement. It is agreed that any visitation by authorized representatives of the Union to administer the provisions of the Agreement shall be done in such a manner as to not interrupt the performance of the employees' work assignments.

Section 4.3 The Company agrees to allow the Union to place a table outside of new hire orientations after the orientation sessions.

ARTICLE 5 - WAGES

Section 5.1 Appendix A, attached to this Agreement, contains a list of the prevailing rates of pay (also called the "minimum rates") for the covered classifications of work, which will be maintained by the Employer for the term of this agreement.

Section 5.2 It is agreed by the parties hereto that no employee who may be receiving a higher rate of pay than provided in Appendix "A" shall suffer a reduction in pay as a result of the Agreement.

Section 5.3 Entry Rates: All new employees with the exception of banquet captains, servers and bartenders, will be paid at an entry rate as provided in Appendix "A".

ARTICLE 6 – HOURS OF WORK

Section 6.1 Payroll Employees shall be paid weekly. A payroll period is a period of seven (7) days starting at 12:01 a.m. on a Wednesday and ending at 11:59 p.m. on the following Tuesday.

Section 6.2 Work Week The normal work week for full-time employees covered under this Agreement shall be forty (40) hours beginning at 12:01 a.m. Wednesday and ending at 11:59 p.m. the following Tuesday. However, the level of business will dictate work schedules. There is no guarantee of any minimum number of hours per week, and employees may be scheduled to work more or less than a normal work week. The Employer will post a work schedule each week in accordance with Article 30. In all other departments, the schedule will be posted no later than noon on Thursday. Once a department schedule is posted, no employee will be removed from scheduled hours or days except for lack of business or including, but not limited to, fire, flood, hurricane, acts of God, civil disturbances, picketing, threats of harms, unexpected cancellations, or by order of the Orange County Convention Center.

Section 6.2.A Calling Out Culinary employees whose shifts start before 7:00 am shall be required to call out no later than one (1) hour ahead of their scheduled shift start time. Employees whose shifts start after 7:00am shall be required to call out no later than two (2) hours ahead of their scheduled shift start time.

Banquet employees shall be required to call out no later than two (2) hours ahead of their scheduled start time. Banquet employees must also cancel their shift on Prospr as this action alerts managers that a call out has occurred therefore expediting a replacement for that shift.

Section 6.2.B Clocking In Staff may not clock in earlier than 7 minutes prior to their scheduled shift or clock out more than 7 minutes after the end of their scheduled shift unless specifically requested by a manager. Such a request must be verified by the manager's signature on the associated sign in page. Clock times 7 minutes

or less before the scheduled shift starting time or 7 minutes or less after shall be rounded to the nearest hour for timekeeping purposes. Employees who clock in 7 minutes or less after their scheduled shift start time will not be considered tardy.

Section 6.2.C Clocking Out Staff may not work beyond their scheduled time or attain overtime without the specific permission and a request of a manager. Such a request must be verified by the manager's signature on the associated sign out page. When a staff member is requested to end their shift due to adjustments made because of business conditions, employees must clock and sign out immediately without regard for the original scheduled time. No such request may result in a shift of less than four (4) hours. For departments not on the Company's scheduling software (i.e. Shiftboard, Prospr, etc.) employees will be personally notified of schedule changes (either in person, phone call, email or text message).

Section 6.3 Report Pay

- A. An employee who reports to work as directed or as previously scheduled who was not given prior notice not to report due to lack of work for them and who is not put to work will receive four (4) hours of pay at their prevailing hourly rate. This payment is in lieu of not working and will not be paid if the employee is put to work. The Employer may call off the employee by telephone up to eighteen (18) hours prior to the employee's start time. A telephone call to the employee's designated telephone number on file in their home department is sufficient notice.
- B. An employee who reports for work as directed or as previously scheduled who is not given advance notice not to report due to lack of work for them but who is put to work in lieu of the four (4) hours specified in sub-section (A) above, will be allowed to work six (6) hours with the exception of the banquet servers, banquet bartenders and banquet captains who may work only three (3) hours. The work assigned to the affected employee will not operate to reduce the work schedule of the other employees. However, if an employee who is not given prior notice to report but is put to work requests that they be released from work early, or if, on request of the Employer, the employee voluntarily agrees to leave work before the end of their shift, then the employee will be paid only for the hours actually worked.
- C. No pay specified in this section will be paid to an employee if work is not available, or if work is curtailed prior to the end of the shift due to conditions beyond the control of the Employer, including, but not limited to, fire, flood, hurricane, acts of God, civil disturbances, picketing, threats of harm, unexpected cancellations, or by order of the Orange County Convention Center.
- D. In any event, an employee will not be paid under this section if they are in fact advised not to report in, as set forth in 6.3A above.
- E. Employees, except banquet servers, banquet bartenders and banquet captains (see Extended Benefits in Appendix A), attending mandatory meetings will receive pay at their regular rate for such attendance during a work shift. If an employee is scheduled to attend a meeting not during their work shift, they will receive a minimum of four (4) hours pay on the day of the meeting attended.
- F. Temporary employees obtained from a temporary agency will not be scheduled for work unless all full-time and on-call employees have been offered the opportunity to work, except in the event of a verified emergency.

Section 6.4 In the event that an employee incurs an occupational injury or illness and the Employer excuses the employee from further work on that day, they shall be paid the balance of their scheduled straight time or overtime shift.

Section 6.5 Unless applicable law requires otherwise, Employees must choose to participate in one (1) of the following systems for payment of wages and reimbursements:

- The Company's direct deposit system
- The Company's debit pay card system

Section 6.6 Working in other classifications Every February and September the Employer will post a list for each classification. Interested employees may sign up indicating their willingness to work in any

classifications(s). When the Employer has a need for employees beyond the number of full-time staff in a classification, the Employer will first schedule qualified and capable employees from the sign-up list in seniority order before calling on-call employees.

When no work is available for full-time or on-call employees in their home classifications, the Employer will make a good faith effort to consider them for work in other departments or classifications for which they are qualified and capable before resorting to temporary staff. The Employer shall make offers in the following manner:

In such situations, pay will be as follows:

Non-tipped employees working in banquets:	Server rate listed in Appendix A plus service charges
Tipped employees working in non-tipped jobs:	The minimum non-gratuity wage in Appendix A
Non-tipped employees in another non-tipped job:	The employee's own rate of pay or the minimum non-gratuity wage in Appendix A, whichever is higher

Training for non-tipped hours will be paid at \$1.00 per hour above the Florida minimum wage and will last no longer than 3 shifts. The Employer will make a good faith effort to train interested employees. The parties will review training during Labor Management meetings.

ARTICLE 7 - OVERTIME

Section 7.1 The Employer will pay time and one-half the employee's basic straight time hourly rate for all hours worked in excess of forty (40) hours in a work week, or in excess of eight (8) hours in one day.

The Employer will pay time and one-half an employee's hourly rate for all hours worked on the sixth day of work and double time on the seventh day of work within the work week.

Overtime calculations in the Agreement do not apply to banquet captains, servers, and/or bartenders as set forth in Section 7(i) of the Fair Labor Standards Act.

The Company may periodically propose to the Union that in the identified peak periods in the following quarter, the Employer will pay time and one-half the employee's basic straight time hourly rate for all hours worked in excess of forty (40) hours in a work week, or in excess of ten (10) hours in one day. In such peak periods, the Employer will guarantee that employees will be scheduled for no less than ten (10) hours per day. If the Union agrees to the proposal for any one quarter, the agreement must be in writing. The agreement in any one quarter does not impact any future quarter.

Section 7.2 There shall be no pyramiding of overtime.

Section 7.3 - Retail Department In the Retail department, the Employer will pay time and one-half the employee's basic straight-time hourly rate for all hours worked in excess of ten (10) hours in one day.

The Employer will not utilize temporary employees on any given day until all available retail bargaining unit employees have been scheduled or offered to work at least ten (10) hours on that same day.

No temporary employee will work daily hours over ten (10) before retail bargaining unit employees are scheduled or offered to work over ten (10) hours on a given day.

ARTICLE 8 - HOLIDAYS

Section 8.1 Each full-time employee covered by this Agreement shall be entitled to holiday pay for the following holidays: July 4 (Independence Day), New Year's Eve, New Year's Day, Christmas Eve Day, Christmas Day, Labor Day, Martin Luther King Day, Memorial Day, and Thanksgiving Day. Each full-time employee on the active payroll also will be entitled to one (1) additional "floating" holiday to be scheduled upon

permission of the employee's supervisor. Floating holidays may not be carried over from one year to the next.

Section 8.2 Full-time employees not working on any of the above listed holidays shall be paid eight (8) hours at their regular rate of pay.

Full-time employees in the classifications of Bartender, Server and Captain not working on any of the above listed holidays shall be paid a sum calculated on the basis of eight times their extended benefit rate (as defined in Appendix A).

Section 8.3 To be eligible to receive the holiday pay for any of the holidays as specified above, a full-time employee must have completed thirty (30) days of employment and worked all scheduled shifts for the day immediately prior to and all scheduled shifts for the day after the holiday unless given written permission for an absence, has a bona fide illness, or is excused in writing by an appropriate manager for either or both days. However, employees on a leave of absence for seven (7) days or longer will not be eligible for holiday pay.

Section 8.4 Full-time employees scheduled for work and actually working on a holiday shall be paid their straight time hourly rate for all hours worked as well as the sum as set forth in Section 2 above.

ARTICLE 9 - VACATIONS

Section 9.1 All full-time employees who have been continuously employed for more than one year by the Employer will be entitled to vacations based on their length of service under this contract and in accordance with the following schedule: After one full year of employment eighty (80) hours; after five full years employment one hundred twenty (120) hours; after ten full years of employment one hundred sixty (160) hours at the employee's prevailing hourly rate of pay. Employer will honor employee's hire date at the Orange County Convention Center for the purposes of determining the amount of vacation to be earned by the employee, provided the employee proves continual employment from claimed hire date. Documentation must be consecutive tax records or social security records provided by the employee.

Section 9.2 The Employer will schedule the vacation periods for all employees in order to insure the orderly uninterrupted operation of the Convention Center. Consideration will be given to the time request by an employee whenever possible. In the event of a conflict of dates for a requested period affecting two or more employees the employee with the greater length of service will be granted vacation time off by the Employer.

Section 9.3 The employee may request payment of any unused vacation in lieu of time off. Vacation time off and pay may not be carried over from year to year.

Section 10.3 The principles of seniority under this Agreement shall be applied only in matters of days off, vacation, schedules, and layoffs and recalls. Seniority will also apply to work schedules as described in Section 6.3F. Personal days over ten (10) will be paid out as vacation pay on the first pay period following the employee's anniversary date.

Progressive Coaching Sequence

The Progressive coaching Sequence is in order of severity. Some violations will necessitate starting out the process in the middle of the sequence and some will warrant immediate termination without any prior warning. The steps to the Progressive Coaching Sequence are as follows:

1. **Counseling** - Counseling is the first step in the Progressive Coaching Sequence. It is a short simple

discussion that corrects behavior before it deteriorates to something more severe. Counseling Sessions provide positive reinforcement and constructive criticism and are primarily used as a form of training for employees.

2. **Verbal** - Verbal Warnings are the second step in the Progressive Coaching Sequence. These warnings inform the employees of unacceptable behaviors and are documented on the Employee Disciplinary Report form. With a Verbal Warning, "Note to File" is written on the Disciplinary Report Form in the "Action to be Taken" section and is placed in the employee's personnel file. The information of the Verbal Warning is communicated to the employee. However, the form does not need to be signed by the employee.
3. **Written** - Written Warnings are given when previous situations have not been rectified by either counseling or verbal warnings or when a violation of Company policy warrants more strong disciplinary action. An employee may receive more than one Written Warning depending on the nature and timeliness of the violation. The employee is asked to sign the form. Written Warnings include the following "Magic Language" in the "Action to be Taken" section:

Further similar behavior or any other violation of Company Policy, may result in further disciplinary action, up to and including termination.

4. **Written Warning with Schedule Change** - Follow the same steps for a Written Warning, except in the "Action to be Taken" section, include the adjustment in the employee's schedule. This is the last step in the Progressive Discipline Sequence before suspension and/or termination. The "Magic Language" is included in this step. Employees are asked to sign the form.
5. **Suspension** - There are two types of Suspensions. One is an Investigatory and the other is Punitive. The Investigatory Suspension is usually no longer than a 24-hour period and is used to remove the employee from the workplace while the investigation of the facts takes place. The Punitive Suspension can be three days, one week or two weeks without pay. The employee is asked to sign the form.
6. **Termination** - Termination is the final step in the process. It is used when all other steps of the Progressive Coaching process have been exhausted or the employee commits a violation of Company policy that is severe enough to warrant immediate termination.

Section 20.5 Work Standard: It is understood between the parties that all work shall be in compliance with the Employer's service and performance Standards. Consistent poor work not up to the Employer's Standards shall subject the employee performing such work to discipline, up to and including discharge.

Section 20.6 Rules and Regulations: The Employer shall have the right to adopt and put into effect reasonable rules and regulations, including rules to promote its service and performance Standards. All employees shall be subject to such rules and regulations and any violations shall be considered just cause for disciplinary action up to and including discharge.

Section 20.7 Full-time employees shall treat their job with the Employer as their primary job and shall not turn down or refuse work assignments with the Employer to work for another Employer. A full-time employee may only turn down a scheduled shift for a previously scheduled and authorized vacation, a substantiated and bona fide illness, jury duty, or bereavement. The Employer may require the employee to substantiate an absence for illness with written certification from the employee's doctor or healthcare provider.

effort should be made to expedite the process. The time limit specified may be extended by mutual agreement. Otherwise, the grievance shall be regarded as withdrawn and resolved.

Section 21.3 Grievances meeting the above definition shall be handled in the following manner:

STEP ONE: Before filing a grievance on a paper form, the aggrieved employees(s) and, if requested, their Shop Steward, will meet with the employee's Department Manager at a mutually convenient time within ten (10) days after the occurrence of the event complained of to try to come to a satisfactory settlement. Any grievance not reported within ten (10) days of its occurrence will no longer constitute a grievance.

STEP TWO: If the grievance is not settled under Step One, the employee(s) or the Shop Steward(s) or Union Representative may, within ten (10) days after the meeting as set forth in Step One, reduce the grievance to writing setting forth the exact nature of the matter complained of, including the date of the occurrence and specifying in relevant detail the exact provision of the Agreement which is alleged to have been violated. The Employer will give an answer in writing within ten (10) days after the meeting. Mediation under this Article may be pursued only upon the express agreement of both the Union and the Employer. Upon such agreement, whether evidenced orally or in writing, the parties will then contact the Federal Mediation and Conciliation Service to request that a mediator be appointed. The role of the mediator will be to serve as a facilitator for the resolution of the grievance. The mediator shall have no authority to compel either the Union or the Employer to agree to any particular action, but shall instead be empowered only to encourage the parties, using established principles of mediation, to reconsider their positions and to reach an amicable accord

Section 21.4 The parties agree that all terminations of employees under the Agreement shall immediately be subject to the Grievance Procedure at Step Three without regards to Step One or Step Two requirements so long as it is filed within ten (10) days of the day the employee is notified of the termination.

Section 22.2 The arbitrator shall be selected in accordance with the following procedure:

In the event of an overpayment to an employee, the Employer will not deduct a sum in excess of twenty-five percent (25%) of the employee's gross debt per pay period from the employee's subsequent paychecks in order to correct the overpayment, unless requested to do so by the employee.

ARTICLE 28 - MISCELLANEOUS

Section 28.1 The Employer will arrange for direct deposit of employee paychecks to those employees requesting such. Paycheck stubs for tipped employees will provide a breakdown of weekly hours worked and corresponding service charges.

Section 28.2 Bartenders working at a cash bar may accept tips by utilizing a tip jar. However, the tip jar may not be seeded or baited. Tip jars may be utilized during hosted events upon show management's or the client's representatives' approval. Bartenders may not directly solicit permission for tip jars from show management's or the client's representatives.

Section 28.3 Employees may not accept free samples of food, beverages or other items given away by patrons of the Convention Center. However, employees may accept items from a patron or client for services that may have been rendered in lieu of, or in addition to a gratuity. Employees must obtain written approval from a Centerplate manager once the client has made their intent known.

Section 28.4 Retail Workers Employment Option Upon expiration of the Company's current contracts with its concessions/retail subcontractors, the Company will insert language into its renewal contracts requiring the vendors to offer preferential hiring opportunities to the Company's employees. These renewal contracts shall require the subcontractors to notify the Director of Retail Operations in writing of all job openings and the Company shall post the openings in an area visible to the Retail department's employees. Retail employees of the Company shall have first right of refusal for all part-time job openings with subcontractors. This provision shall also apply to any future contracts with new contractors.

The subcontractors will be consistent and fair in their wage offerings to retail employees compared to other new employees.

means by which the Employer may eliminate any bargaining unit positions(s) or shifts(s).

ARTICLE 30 - BANQUETS

Section 30.1 – Staffing Guidelines

1. The Employer shall attempt to follow the staffing guidelines set forth below. The Employer recognizes that tipped employees derive the bulk of their income from the gratuity and/or service charge and will make a reasonable effort to staff according to the guidelines below, except when it interferes with its ability to deliver the level of service it determines is required to provide the appropriate level of service to the guest.
2. These are guidelines only and final staffing decision will remain within the discretion of the Employer.
3. The scheduling Captains will make every effort to equalize weekly hours amongst full-time servers.

B. Scheduling Procedure - Scheduling Captains will be granted full access to the following scheduling software (currently Prospr) administrative functions:

1. Ability to post available shifts (if needed) for A+, A List and B List Banquet Servers.
2. On-call Banquet Server shifts (if needed) for the upcoming week must be posted every Wednesday at 2:30 pm for the A+ List and A List and at 3:30 pm for the B List. When shifts are released to the B List, the shifts will still be visible to the A List and A+ List. For clarity, all available shifts must be posted at the times designated in this Article. Longer shifts may not be held in reserve for the B List or for posting at a later date. If no shifts are available to be posted on Wednesday, the scheduler will send a message to all A List and A+ List and B List servers indicating that no shifts will be posted.
3. A popup is defined as a BEO that came to the scheduler's attention after the weekly posting of schedules on Wednesday. A popup is a shift for the current week and not for the upcoming week. On-Call Banquet Server popup shifts will be posted daily at two different times.

Popups Not on the Same Day: In the morning, any popups available will be posted at 10 am for the A List and A+ List and at 10:30 am for the B List. In the afternoon, any popups available will be posted at 2:30 pm for the A List and A+ List and at 3:00 pm for the B List.

Same Day Popups: If the Scheduling office has an unexpected need for additional servers for the same day, the shift will be posted first for the A List and A+ List and then 15 minutes later for the B List. When shifts are released to the B List, the shifts will still be visible to the A List and A+ List. The scheduler will send a message to all employees a minimum of 20 minutes prior to the shift being posted notifying them of a popup. If the scheduler is made aware of a popup for the following day after the day's regular 2:30 pm posting that popup will be treated as a same day popup.

4. Scheduling Captains are not permitted to access employee profile for any reason.
5. Scheduling Captains are not permitted to update any personal information.
6. Scheduling Captains are not permitted to remove or assign an "Administrative hold".

C. Full Time Banquet Schedule - In addition to the current scheduling procedure, all FT Banquet schedules will be posted on the Employer's scheduling software (i.e. Prospr) for informational purposes only (i.e., scheduling changes, time changes, uniforms, location, room etc.)

D. When the Company needs to cut On-Call servers from the floor, the Company will first ask for volunteers. If there is an additional need to cut On-Call servers from the floor, the Company will use a badge lottery on the floor to determine which B List servers are cut. If there still is an additional need to cut On-Call servers from the floor, the Company will use a badge lottery on the floor to determine which A List servers are cut.

E. Bar Scheduling

1. On-Call Bar schedules will be posted at 12 noon for the A List and at 1 pm for the B List on Wednesday.
2. The Company will not change Full-Time Bar schedules after they are posted except for bona fide business reasons.

F. Changes to Scheduling Software:

1. If the scheduling software supports this feature, On-Call employees will be allowed to release shifts within one-hundred and twenty (120) minutes after shifts are posted (excluding same-day popups).
2. If the scheduling software supports this feature, for transparency, Employees will be granted access to view all unfilled shifts, even after they have accepted shifts that may conflict with the shifts still available.
3. If the scheduling software supports this feature, details for available shifts (for example, the role needed, type of service and room) will be visible when shifts are posted
4. The Company will send a banquet forecast on a quarterly basis via the scheduling software's message feature.
5. If, in the future, the Company intends to change from Prospr to a different scheduling software or to return to paper scheduling, the Company will give the Union at least 30 days notice of the change. If the Union requests bargaining, the Company will bargain with the Union over the impact of the change.

Section 30.2 Banquet Event Orders for the pay period will be placed in a binder in the captain's cage in 3/2 on a daily basis. All daily labor reports will be available daily for the previous day's functions, and weekly revenue reports will be available by the close of business on Thursday for the preceding pay period. Additionally, the Company will provide a spreadsheet showing gratuity for each BEO on a weekly basis.

Section 30.3 Scheduling Captains

- A. One scheduling captain (and a Full-time server during peak business periods only), mutually agreed upon by the Union and the Employer, shall be assigned all paperwork and scheduling duties. The peak business periods will be reviewed jointly by the Union and the Employer monthly. All schedulers will be trained on and expected to use the scheduling software. Should either the Union or the Employer determine that a scheduler should be replaced, the parties shall meet to mutually agree to the replacement before the current scheduler is removed. This can occur no more than once every six (6) months.
- B. The Company agrees to provide one full time intern on a year-round basis to assist in the scheduling duties
- C. When both Scheduling Captains are scheduled off due to business levels the following process must occur in order for proper coverage.
 1. Email to Banquet management team no later than 1 day prior to the coverage date(s) containing information that includes next available staff and a copy of the updated schedule
 2. In order for both scheduling captains to be off it must be approved by a member of the Banquet Management Team prior to the schedule being posted.

Section 30.4 Bar Captain Work will be scheduled as follows: FT Bartenders, Banquet Captains, On-Call Bartenders

Section 30.5 The Company will provide the banquet captains with mobile phones with texting capabilities. Other employees may use personal cell phone to receive such work related communication. However, personal use of cell phones must be limited to non-work areas during non-work/break times.

Section 30.6 Bartenders working cash bars will be paid 50% of the collected labor fee plus the hourly

tipped minimum wage.

Section 30.7 Water Cooler Duties Within 30 days of the effective date of this Agreement, Servers will no longer perform any work related to water coolers. All such work will be performed by Aisle Attendants (Banquet Porters). The employee share of the service charges associated with the work shall be removed from the existing banquet service charge weekly pool and will be placed in a new Aisle Attendant (Banquet Porters) weekly pool. The Aisle Attendant weekly pool will be divided by the total number of hours worked by Aisle Attendants (Banquet Porters) in the pay period and said amount shall constitute one share for the pay period. Said share for the pay period will then be multiplied by the employee's hours for the pay period and added to their pay period hours times their hourly rate to arrive at their total compensation for that pay period."

Section 30.8 On-Call Employees

1. Full-Time banquet Captains and Servers shall continue to be scheduled according to all established contract language. Only after Full-Time Captains and Servers have been scheduled for all available hours and shifts will On-Call Servers be able to pick up shifts. No On-Call Server can ever under any circumstances become Full-Time based on hours worked in any period of time. Promotions to Full-Time may only happen by filling a vacancy as described in Article 25 of this Agreement.
2. The A+ List is comprised of Full-Time servers with at least fifteen (15) years of seniority as Full-Time employees who have requested to change their status to On-Call. Each Full-Time employee who moves to the A+ List shall create an opening for a Full-Time position that shall be filled in accordance with the contract.
3. The A List is defined as what is known as of August 2018 as the "Top 50" or "On-Call" list. The B list is defined as what is known as of August 2018 as the "On-Caller" list.
4. Currently, the A List has more than 40 Servers. The A List will be reduced from the current amount only according to (7) below.
5. After the A List is reduced to 40 Servers or below 40 Servers according to (6) below, the A List will have a maximum of 40 servers. The A List may be reduced below 40 if fewer than 40 Servers meet the criteria described below.
6. A B List employee is offered a place on the A List if:

 - b. If the employee has worked 200 or more hours as a server in the Company's previous fiscal year and
 - c. If the employee has a minimum of two years of service. If there are two or more eligible employees, the one with the earlier hire date will be offered a place on the A List. To be considered for the A List, the employee must be capable and qualified. If an employee disagrees with management's determination of their capability and qualification, that determination may be subject to the grievance procedure.
 - d. Any B List employee receives two (2) or more disciplines in the preceding 12-month period will be ineligible for the A List.

For further clarity, a revised list showing all non-gratuity employees is attached to this agreement. The lists shows which employees are eligible for the premiums listed above.

SERVICE CHARGE COMPONENT:

By June 1, 2023, the Employer will be increasing the service charge to 22%. The additional 2% (above 20%) shall be split 50%/50% and distributed between the Employer and qualified employees.

Should the Employer increase the amount of the service charge beyond 22% during the term of this Agreement, the parties shall split any increase beyond 22% at an 80%/20% split, with 80% going to the service charge pool and 20% to the Employer.

A 16% service charge based on catering food and beverage revenue plus 16% service when applied to waiver fees will comprise the pay period "weekly pool". This pay period weekly pool will be divided by the total number of hours worked in the pay period by servers, bartenders and captains and said amount shall constitute one share for the pay period. Said share for the pay period will then be multiplied by the employee's hours for the pay period and added to their pay period hours times their hourly rate to arrive at their total compensation for that

pay period. If the service charge is increased by the Employer during the term of this Agreement 80% of the increase shall be added to the service charge pool.

Fifty (50%) percent of the cash bartender fees will be shared with those employees that provide the service.

Fifty (50%) percent of the carver/chef fees will be shared with those Centerplate employees that provide the service. When temporary services are utilized those fees will be placed into the pool in lieu of distribution of collected fees.

Fifty (50%) percent of the other labor fees (including extension fees, booth attendant fees, overstaffing fees) charged will be placed in the service charge pool.

The Bartender Captain hourly rate on cash bars is \$25 per hour.

WAIVER FEES:

The Company agrees to share 7% of waiver fees charged for food and beverage items brought in by customers and clients.

There may be occasions where the Company agrees to allow outside products brought into the convention center and does not charge a waiver. These deviations to standard policy will be used to entice new business to the convention center. This commission percentage does not apply to specialty booth catering services provided by subcontractors.

This 7% charge will be included in the weekly banquet server commission pool.

The Company has the right to either include the 7% in the waiver fee or to charge the 7% on top of the waiver. The banquet event orders will reflect individual agreements.

EXTENDED BENEFITS:

1. Vacation, bereavement, personal days, and holiday pay for current banquet employees will be paid at the existing EB rate for employees hired prior to July 1, 2002.
